8                   UNITED STATES DISTRICT COURT  
9                   WESTERN DISTRICT OF WASHINGTON  
10                  AT SEATTLE  
11

12                  UNITED STATES OF AMERICA,

CASE NO. CR22-0073-LK

13                  v.  
14                  Plaintiff,

ORDER GRANTING UNOPPOSED  
MOTION TO EXTEND PRETRIAL  
MOTIONS DEADLINE

15                  DONTE MCCLELLON,

Defendant.

16                  This matter comes before the Court on a motion filed by Defendant Donte Jamal McClellon  
17 to extend the deadline to file pretrial motions from June 23, 2022 to June 30, 2022. Dkt. No. 22.

18 The motion is unopposed.

19                  Under Local Criminal Rule 12(c), good cause must be shown to extend the deadline for  
20 pretrial motions. Mr. McClellon anticipates filing a motion to continue the August 1, 2022 trial  
21 date because his counsel needs additional time to prepare for trial, including more time to review  
22 the thousands of pages of discovery produced by the Government. Dkt. No. 22 at 2. Counsel is  
23 currently assessing how much additional time will be needed and seeks a one-week extension of  
24 the pretrial motions deadline, which will “afford the defense time necessary to determine a realistic

1 timeframe for trial preparation, confer with Mr. McClellon, and then discuss scheduling with the  
2 government and the Court.” *Id.* Based on those representations, Mr. McClellon’s motion  
3 demonstrates good cause.

4 Accordingly, the Court GRANTS the unopposed motion, Dkt. No. 22, and extends the  
5 deadline to file pretrial motions from June 23, 2022 to June 30, 2022.

6 Dated this 23rd day of June, 2022.
